-Eiichiro Oda, 2015

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Q: Odacchi... I was cleaning up my room today and found a note that Cora left here, years ago... Just looking at it made me start thinking about him... *Sniff!* I'm sending it along, because I want you to see it.

--Mirucle

A: Waaaah! (cries) Oh, Cora!! The SBS...
Wait, the SBS already started!! ㄟ

Q: When I chug a carbonated beverage, I get a tummy ache. What should I do?

--Dog Lover

A: I think you should not chug it.

ああああああ

...

COMMANDER KYROS!!!

KYROS...

As well as other important royal figures of the past...

SH———MN..

SO WHAT?!

It seems the people of this country want Riku returned to power.

THIS AIN'T GOOD! ONE SOLID PUNCH FROM HIM...

DAMN.. I FELL RIGHT INTO HIS TRAP!!

...COULD SMASH THAT ENTIRE ROYAL PLATEAU TO RUBBLE!!

SO I COULDN'T CHASE YOU!!

AND THAT'S WHY YOU PUSHED ME BACK INTO THIS CORNER.

NAH, IT'S TOO FAR TO BE EFFECTIVE. THAT WON'T KNOCK HIM OUT...

PLAN 1: SHOOT SOME SLASHES...

THERE'S GOTTA BE A WAY...

USOPP AND THE KING WILL BE CRUSHED AND KILLED INSTANTLY!!

IS HE HEADING FOR THE ROYAL PLATEAU?!

PICA !!

PLAN 3: YELL REALLY LOUD SO THEY CAN BE AWARE OF THE DANGER...

NAH, I CAN'T REACH! I'D JUST FALL DOWN INTO THE TOWN...

PLAN 2: JUMP ONTO HIS BACK.

KADOD!!

BOOM!

NAH, I DON'T HAVE A SNAIL ON ME.

...TO TELL THEM TO ESCAPE!!

PLAN 4: USE A TRANS-PONDER SNAIL...

NAH, THEY CAN'T HEAR ME AT THIS DISTANCE.

BOOM!!

BLAM!

AAAGH !!!

HELLLD !!

LET'S GO WITH THAT ONE.

PLAN 5...

FLY THROUGH THE AIR AND CUT HIM DOWN!!

STAY!

(Hippo Iron, Saitama)

Q: Here's a question for you, Odacchi. Why is it that so many characters in *One Piece* have mothers who are unknown or deceased?

--Kon'iro

A: I see. Well, the answer is simple. The antonym of "adventure" is "mother."
*Please do not write this on a test.

Q: The Gimlet who appears in Chapter 755 has to be named after the gimlet cocktail, right?! Are you a fan of Raymond Chandler, Oda Sensei? Or do you just like alcoholic beverages? (laughs)

--Law's Second Assistant

A: Yes, that's where I got the name. This is actually a tricky one to explain in full. It's a bit of wordplay on a famous line about gimlets in Chandler's classic hardboiled novel, *The Long Goodbye*. So I figured, if I'm going to do a hardboiled bit, I needed to get that name in there. You should look it up, if you're curious. Gimlet's mother "Russian" also came from a cocktail. Also, while I am from the alcohol-producing region of Kyushu, I draw a story about pirates, and I love hardboiled fiction...I cannot handle my liquor.

Q: I noticed that Robin's breasts have grown very large. Later on, I noticed that Nami's breasts are large too. Why are their breasts so large? Is that what you like, Mr. Oda? This question is from two 10-year-olds.

--Sakucchan & Yuzu

A: I'll say it a million times: I'm drawing the dreams of boys everywhere. People of the world! Grow BIG BOOBS!

(Saeka, Kumamoto)

Q: Hello. How are you? I am fine. I have a question about my beloved one-piece. I can't decide between flower print or plain. I mean, flowers are nice, but I'm wondering if going with plain will make me look more like a grown-up lady. What do you think is better, Mr. Oda?

--The Invincible Haru-Haru

A: Good question. In my case, I prefer to go out on trips in a nice frilly one-piece with a flower design. Seems like I often wind up down at the police station answering questions for some nice policemen, but other than that, I'm fine, thanks for asking! I just love a good one-piece dress!

Q: Here's a question, Odacchi. In Chapter 762 of Volume 76, when Law stabs Cora, I spotted Crocodile's face on his copy of the newspaper. What kind of article was it?

--Yamamoto/Sugiyama/Hori

A: Nice job spotting that. Indeed, it is Crocodile. This happened 16 years ago, when Law was 10 and Doflamingo was 25. Crocodile was 30 at this time. When he was younger, he blew up quick, just like Luffy, but he joined the Seven Warlords fairly early on, in his early twenties. After that, he challenged Whitebeard and lost. While he stayed quiet after that, his ambitions were turning on Alabasta instead, and this is when he started hunting pirates as a Warlord. So the article in the paper is actually a story about his heroic exploits saving the country!

(Waka Kanda, Nagasaki)

Q: What are those spike-like things on Pica's shoulders?

--No. 73

A: If you place a growing watermelon into a square container, it will eventually fill the space and result in a square watermelon. Pica wore shoulder protectors in that shape all throughout his growth spurt, so his shoulders just grew that way!!

Q: Oda Sensei!! Buggy could pass right through the Birdcage, couldn't he?!

--Pick Me Man

A: True, that's a good point. Buggy's entire crew could be stuck in there, and he'd split and take off on his own! I like this drawing. ➤

Q: I want Luffy and Doflamingo to fight and I want Luffy to win.

--From Taiichi in Iwate

A: I agree!! Let's root him on together!

Q: Show me a simple way to draw Zolo!

--Kanahasa

First is a patch of grass

Two mounds in a wide sea!

A drop of soy sauce on a dumpling, then make a cross and eat!

Three swords for three-sword style!

Spikes and squiggles on each side, and you've got little lost Zolo! Also, he grew hair.

Q: Does Buffalo style that crazy hair himself every morning?

--No. 73

A: It's a cowlick.

Q: The boy named Drie working in the pirate Barrels' crew is actually X. Drake of the Drake Pirates, right?! I figured it out from the X (pronounced "Diez") name, the scar on his chin, and their home in the North Blue. Does that mean Barrels is Drake's father?

--Kazuki from Hyogo

A: That's right!! Well spotted. X. Drake is one of the "Worst Generation" pirates who are stirring up the world alongside Luffy. His father Barrels was a Naval officer, and he grew up idolizing his pops and dreaming of being in the Navy. But something happened, and Barrels went pirate, turning into a terrible man who abused his son. At this time (13 and a half years ago) Drake was 19, and still following along because he believed in the father he remembered from his youth. He's a bit too big to be considered a "boy," but he looks younger than he is because he's so intimidated by his father. Through his fateful, accidental near miss with Law, he ends up taken in by the Navy, and he becomes a sailor. But through some quirk of fate, Drake moves up the ranks to an officer, and then leaves to become a pirate, just like his father!! What happened to him?! What is he thinking?! What's the big deal, mister?! After his appearance on the cover page story, it really makes you curious what X. Drake is going to do next!!

A: Well, everyone, in the last volume I introduced an old submission to the (Japanese) fan art section, which was sent in by Mr. Horikoshi, who has grown up to draw *My Hero Academia* for *Shonen Jump*. This time, I got a report that one Nozomi Mori, whose fan art recently graced Volume 74, has just made a professional debut with a one-shot under the name Keidai Himuro in the pages of *Monthly Afternoon*. This is totally unrelated to *Jump*, however. Anyways, congrats! I hope you get serialized and make a great name for yourself in the sea of manga! Good luck!! (^ ^)

Q: Hello!! I was watching TV the other day, and learned that the real-life Japanese Navy, when it is out at sea, always serves curry on Fridays to maintain a sense of the days of the week. Does the Navy in *One Piece* have curry too? If that's the case, is Rika's curry super-sweet???

--Kagamin

A: Yes, the Navy's curry is quite famous. The Navy in *One Piece* employs the same custom. Since it serves a purpose of providing extra nutrients that one day a week, I've heard that it's a delicious curry packed full of fresh seafood. It seems that the sweeter curry served at Rika's Naval Branch is quite popular. Well, that's it for this installment of the SBS! See you next volume!!

...RIKU DOLDO III...

I AM THE... FORMER... KING OF DRESSROSA ...

?!!

LISTEN TO ME, EVERYONE!!

ああああああああ

TH- THAT'S KING RIKU!!!

...THE NATION IS SURROUNDED BY A GIANT, INESCAPABLE BIRDCAGE.

DUE TO A GAME THAT THE PRESENT KING DOFLAMINGO ENACTED...

I WILL NOW EXPLAIN...WHAT IS HAPPENING TO OUR LAND.

THE VICIOUS POWER OF THIS CAGE IS SLICING THROUGH THE TOWN AS IT SHRINKS DOWN FURTHER AND FURTHER.

...EXCEPT FOR THE MAD RUSH TO PROTECT YOUR OWN LIVES.

...HAS LEFT YOU UNABLE TO PROCESS ANYTHING...

NO DOUBT THE SUDDENNESS OF THIS SITUATION...

KING RIKU ...

BUT I ASSURE YOU--THIS IS NOT A DREAM!!!

FOR THE PAST
TEN YEARS...
WE HAVE BEEN
RULED OVER
BY A PIRATE!

AND
THIS IS NOT
A TRAGEDY
THAT BEGAN
TODAY!!

FOR THOSE
TEN YEARS...
WE HAVE BEEN
PUPPETS ON
HIS STRINGS!!!

TRAPPED IN
THE MIDST OF
THE BIRDCAGE
CALLED
DRESSROSA
!!!

BUT VERY
SOON, IT
WILL BE
OVER!!!

THIS
IS OUR
REALITY
!!

...ARE
NEARLY
VAN-
QUISHED
!!

...THROUGH
THE WORK OF
THE MIGHTY
WARRIORS
GATHERED IN
OUR LAND...

THE
SEEMINGLY
INVINCIBLE
DONQUIXOTE
FAMILY...

THE
ONLY FOE
LEFT TO
TOPPLE...

WHAT
?!

ALL OF THE
FAMILY'S
OFFICERS ARE
DEFEATED!!

...IS DONQUIXOTE
DOFLAMINGO, THE
CURRENT KING OF
DRESSROSA!!!

BUT WHETHER HE WINS OR LOSES, IT WILL ONLY BE A MATTER OF MINUTES!!

I HAVE NO DOUBT THAT HE WILL DESTROY THIS BIRD-CAGE!!!

BATTLING HIM NOW IS THE PIRATE STRAW HAT LUFFY!!!

ON EMPTY LUNGS...ON BROKEN LEGS!!

JUST KEEP RUNNING !!!

ENSURE THAT NOT A SINGLE PERSON IS CRUSHED BY THIS SHRINKING COUNTRY!!

SO I BEG OF YOU, DO WHAT YOU CAN TO SURVIVE!!

JUST A FEW MORE MINUTES...

FIND A WAY TO SURVIVE!!!

SO
DO NOT
GIVE
UP!!!

THERE
IS STILL
HOPE
!!!

I'M
COMING,
GRANDMA
!!

OKAY
...

...L'I'L
MISSY
!!!

TIME
TO
RUN...
